San Francisco

[//GingerElla](https://GingerElla)

OBJECTIVE

I build tools and data infrastructure designed to outlast the systems and the engineers that depend on them. When building, I value reliability, clean interfaces, and creativity that quietly serve the people who rely on them.

LANGUAGES, PLATFORMS, & TOOLS

Python	●●●●●	Buildkite	●●●●●	Agentic Workflows	●●●●●
Kotlin	●●●●○	AWS Platform	●●●●○	Git	●●●●○
Java	●●●●○	Graph Databases	●●●●○	Gremlin	●●●●○
Scala	●●●●○	Docker	●●●●○	SQL	●●●●○
		Terraform	●●●●○	Android	●●●●○

INDUSTRY EXPERIENCE

10/2025 – Present	Developer Tooling: System Engineering Tooling, Tech Lead. Creating connections for certification and compliance. • Re-architected traceability as a Neptune/Gremlin graph—8h builds to sub-hour in CI/CD. • Productized it as Terraform IaC across customer deployments, analytics to compliance. • Codified agentic-engineering standards—TDD, testing, design docs—atop Claude Code. Python / Terraform / Amazon Neptune / Gremlin / Claude Code	Applied Intuition
10/2023 – 10/2025	Developer Tooling, Software Engineer. Move fast, move safe. • Built code-coverage tooling and test-reporting infrastructure for safety-critical systems. • Automated CI/CD in Buildkite, including software-in-the-loop testing. Python / Buildkite / AWS S3 / AWS Cloudfront / AWS Lambda	Applied Intuition
03/2020 – 10/2023	Assistant Platform-Infrastructure & Quality Team, Software Engineer. "Okay, Google, take me home." • Implemented and launched infrastructure improvement to reduce latency for tap-to-read messages. • Designed and instrumented key components of performance measurement tool. • Implemented and maintained conformance testing framework during major migration. Android / Java / Kotlin / Python	Assistant on Auto, Google
04/2019 – 03/2020	Alexa Local Search-Data, Software Development Engineer. "Alexa, find me a coffee shop." • Proposed new design for our data pipeline with focus on efficiency and incremental builds. • Mentored intern as they implemented a POC I designed to help curate and maintain high quality data. • Built a viewing portal for a key resource: reduced cross-team friction and eased developer overhead. AWS Athena / AWS EMR / AWS S3 / Python / Scala / SQL / Zeppelin	Alexa Auto, Amazon Lab126
08/2018 – 04/2019	Alexa Local Search-Platform, Software Development Engineer. "Alexa, how far away is the airport?" Launched in a new country and integrated a new data provider to improve recall and ranking. AWS Elastic Search / AWS DynamoDB / AWS S3 / Python / Scala	Alexa Auto, Amazon Lab126

EDUCATION

08/2014 – 05/2018	B.A. in Computer Science and B.A. in Classics	Grinnell College
01/2017 – 06/2017	Associate Student, Greek and Latin	University College London
06/2015 – 08/2015	Summer Intensive Greek Workshop	University of California, Berkeley

LANGUAGES

English - native
Latin - proficient
Attic Greek - proficient

HOBBIES

I am a songbird with 10+ years of vocal training under my belt. When not traveling, I'm usually curled up with a good book and a cuppa tea.

FAVORITES

Song to Sing: Gerwshin's Summertime
Place to Visit: Prague, Czech Republic
Book: Aeneid or Pride & Prejudice

PLEASE FIND INTERNSHIP, RESEARCH, MISCELLANEOUS EXPERIENCE, AND PUBLICATIONS ON REVERSE.

INTERNSHIP

06/2017 – 08/2017 **Software Development Engineering Intern.** [Alexa Voice Services](#), [Amazon Lab126](#)
Designed and implemented an automated notification service triggered by system events.
AWS DynamoDB / AWS SNS / AWS SQS / HTML / Java

RESEARCH EXPERIENCE

11/2016 – 12/2016 **Course Research Asst.** [Grinnell College](#)
Researched: the *basic languages* of weaving, crocheting, embroidery, and quilting; how we can *represent* these *computationally*; how tools *manipulate* and *innovate* on languages.
Created: lesson plans, homework, and readings; *manual* for programmed embroidery and accompanying software; packaged versions of *software* for the class.

06/2016 – 08/2016 **Research Position.** [Grinnell College](#)
Researched the state of Computer Science outreach camps and: *organized* and ran a summer coding camp for middle-schoolers; learned how to use and *program* an embroidery machine; *co-authored* papers on our research and the camp we ran.

MISCELLANEOUS EXPERIENCE

08/2016 **Assistant Archivist.** [Grinnell College](#)
30-hr contract job. Formatted images for a new, online archive of ancient Roman coins.

2015 – 2018 **Tutor: Latin, Greek, Computer Science.** [Grinnell College](#)
Tutored students in both group and one-on-one settings.

2012 – 2018 **Editor.** St. Ignatius College Preparatory & Independent
Editor-in-Chief, *Managing Editor, independent*. Focused on stylistic, grammatical, and organizational elements.

2015 – 2016 **Caterer.** [Grinnell College](#)
Prepared, served, and cleaned up catered events.
